🛳️ Smooth Sailing: Your Ultimate Guide to Changing Names and Numbers on a Princess Cruise

Introduction: Don’t Let a Name Change Sink Your Vacation Plans

Life happens. Maybe a friend bailed, a family member got sick, or you simply had a scheduling conflict. Whatever the reason, if you need to change the name or number of guests on your Princess reservation, you’re not alone—and it’s totally doable! However, time is of the essence.

To ensure your boarding pass has the correct information, you need to act fast. The easiest way to resolve a name mix-up or guest substitution is to call Princess Cruise lines at +1-833-624-0944. This direct line connects you with a representative who can guide you through the process and confirm if any fees apply.

Why Do You Need to Change a Name or Number on Your Booking?

There are several reasons you might find yourself needing to modify the guest list for your upcoming voyage:

1. A Traveler Cancels: Someone in your party can no longer make it, and you want to replace them with another person.

2. Misspelling: The name on the booking doesn't exactly match the passport or government ID. This is a big deal; if the name doesn't match, you could be denied boarding.
3. Adding a Guest: You might have booked a room for two but decided to bring a third or fourth passenger to fill the cabin.

If you find yourself in any of these situations, don’t panic! You just need to call +1-833-624-0944 and speak to a specialist. They can tell you exactly what documentation you need and whether a fare adjustment is required .

What Are the Rules for Substituting Guests?

Princess has specific policies regarding name changes. According to their official FAQ, you can make name changes or substitutions to all but one of the original names on your booking . This means "the primary guest" (the first name on the reservation) generally must remain the same to hold the booking, but you can swap out everyone else.

However, you must make these changes before the final electronic manifest is sent to the ship. Princess advises making these adjustments well in advance of your sail date . To avoid missing this deadline, call +1-833-624-0944 today to confirm the cutoff date for your specific sailing.

Are There Fees for Changing Names or Numbers?

One of the biggest concerns for cruisers is the cost. The fees for changes depend on several factors, including your fare type and how close you are to the departure date .

- Refundable Fares: These are often more flexible and may have lower or even waived change fees if modifications are made early.
- Non-Refundable Fares: These often incur higher fees. You might also have to pay the difference if the current cruise fare is higher than what you originally paid .
- Air2Sea Bookings: If you booked airfare through Princess's Air2Sea program, changing the name on the cruise might trigger additional charges for the flight, depending on ticket rules .

To get a specific quote for your reservation, you need to call +1-833-624-0944. They can calculate the exact difference in fare and tell you the precise fee before you commit to the change.

The Clock is Ticking: Why You Should Call Now

Whether you are adding a guest, correcting a typo, or swapping a passenger, the system requires human intervention. While some minor changes, like bed configurations, can be managed via the "Manage My Cruise" section online, major guest modifications typically require a phone call . The sooner you call +1-833-624-0944, the better.
